## OFFICE OF THE BISHOP DIOCESE OF MANCHESTER

Dear Brothers and Sisters in Christ:

Since the Sacred Body of our Crucified Savior was reverently laid in the tomb awaiting its glorious

Resurrection, the Church has been most solicitous to surround the burial of those who hope to rise with Christ with an atmosphere of deep Christian faith and profound reverence. In the Mass and committal prayers, the Church gives voice to her belief in the Christian doctrines of the Resurrection of the Body, the communion of Saints, and Life Everlasting, but as a further seal and symbol of that faith, she sets apart and solemnly blesses the place in which the bodies of her faithful departed await the day of Resurrection.

The Roman Catholic Church in New Hampshire has set aside Roman Catholic Cemeteries located throughout the State of New Hampshire as sacred ground, the resting places of the faithful when they die. Roman Catholic Cemeteries are more than burial grounds. They are places of worship, prayer, and meditation, monuments to our faith and witness to life everlasting. They are places where individuals come not only to mourn their deceased family and friends but to find hope and peace.

In the earliest days, Mother Church found it necessary to establish rules and regulations which would protect these sacred places and the relics laid therein. She could not and would not allow anything

within the holy precincts which would desecrate them, lessen their beauty, or bring dishonor on the dead.

For the foregoing reasons, the following Cemetery Rules and Regulations are adopted for all Roman Catholic cemeteries within the Diocese of Manchester. These rules and regulations apply to all lots, all those who hold a lot, crypt or tomb, and all visitors to the cemeteries. These rules and regulations may be amended, revised, or supplemented as changing conditions dictate.

Throughout all of our Christian history, the Church has encouraged its people to honor the dead in deed and memory. We invite you to come and pray for the faithful and to help make the Roman Catholic Cemeteries in the Diocese of Manchester dignified places of Christian burial and prayer.

Yours in the All-Holy Trinity  
And the Mother of God,

A handwritten signature in black ink, reading "Peter A. Libasci". The signature is written in a cursive style with a small cross at the beginning.

Most Reverend Peter A. Libasci  
Bishop of Manchester

# Preamble

These rules and regulations are established as part of the Church's commitment to respect the dignity of every human person and preserve and beautify the sacred resting places of the faithful departed. They are intended not as restraining, but rather as defining an orderly plan of operation, care, and maintenance, and are designed to ensure compliance with the practices, rituals, and procedures of the Roman Catholic Church, the civil laws of the state and federal government, the Diocese of Manchester Office for Worship *Guidelines for Christian Funerals, Cremation & Burial*,<sup>1</sup> and the *1983 Code of Canon Law*. If a conflict arises between these rules and regulations and civil or canon law, civil or canon law applies.<sup>2</sup>

These rules and regulations and any amendments, alterations, and additions adopted by cemetery management or the Bishop of Manchester shall apply to all lots, all those people who hold a license for a lot, crypt, or tomb, and all visitors to the Roman Catholic cemeteries. These rules and regulations do not cover every situation that may arise. In all matters not specifically covered by these rules and regulations, cemetery management reserves the right to establish rules and procedures and use its judgment to make decisions, and such rules, procedures, and determinations shall be binding upon the lot or crypt holder, visitor, and all parties concerned.

Due to ever-changing conditions, cemetery management reserves the right to change, modify, and rescind these rules and regulations and to change all service charges. These changes, modifications, and rescissions automatically apply to all licenses for burial, whether the licenses were issued prior or subsequent to their adoption.

Questions regarding any of the rules and regulations contained in this document should be directed to cemetery management.

<sup>1</sup> The *Guidelines for Christian Funerals, Cremation & Burial* can be found online at: <http://www.catholicnh.org/assets/Documents/Parish/GuidelinesFuneralsCremationBurials.pdf>

<sup>2</sup> NH law defines a "cemetery" as a "cemetery owned, managed, or controlled by any municipality within this state or owned and managed by any nonprofit cemetery corporation chartered by the state." RSA 289:1. Cemeteries, mausoleums, and columbaria owned, managed, or controlled by religious institutions are considered to be "burial grounds." *Id.* Thus, some NH laws applicable to municipal cemeteries may not be applicable to Roman Catholic cemeteries.

# Mission Statement
